Manufacturer warrants the landscape synthetic turfs for fifteen (15) years, commercial applications and putting green surfaces for eight (8) years and golf tee line materials for five (5) years from the date of synthetic turf purchase and maintained as recommended by the turf Manufacturer. This limited warranty is in lieu of all other warranties, express, statutory, or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose. Manufacturer shall not in any event be liable for any indirect, incidental, punitive, special, consequential, or other similar damages including, but not limited to loss of profits or revenue, economic loss, or other goodwill, even if Manufacturer has been notified of the possibility of such damages. Slight color changes will occur over the lifetime of this turf and are not considered an issue or basis for a claim. **All labor costs involved with the installation, removal of the affected turf and/or reinstallation of any replacement will be the responsibility of the purchaser.**

Subject to the following limitations:

General provisions of this limited warranty apply to the wear of the turf with regard to ultraviolet degradation, and do not apply to damage incurred during installation, improper underlay, pile crushing, willful or negligent abuses, or damage by machinery or equipment, nor does it apply when the turf is not installed by a professional installer. Manufacturer does not warranty a loss of more than 5% per year of the turf material strength due to ultra violet degradation. The strain rate and deformation rate increase significantly when the material is subjected to extreme heat and will not be warrantied. Manufacturer holds the right to look at temperature history reports to determine if the material has been exposed to consistent extreme heat over a period of 96 hours or more.

Remedy:

In the event of warranty issues covered by this Limited Warranty, Manufacturer will either (a) replace the effected portion of the Artificial Grass Product with new Artificial Grass Product of the same quality or (b) Manufacturer may elect to issue a credit instead of replacement or repair, which credit shall only be to the affected areas of the Artificial Grass Product. Replacement of the affected areas is for the Artificial Grass Products only, excluding any and all costs associated with the installation and fill, including but not limited to installation supplies, inconvenience, labor charges, etc. The Expressed Limited Warranty excludes all implied warranties, and said Manufacturer shall in no event be liable for a breach of warranty in any amount exceeding the invoice price of the turf. Manufacturer's 15-year landscape synthetic turf warranty schedule is as follows: Years 1-8 (100%); Years 9-12 (50%); Years 13-15 (25%).
